Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Explained that the two status requests had not been brought to our attention and that the Appeal Brief filed in November had also not been brought to our attention. Explained that it would be acted on immediately. Upon original inspection it was noted that the latest rejection was actually not addressed. Mr. Tummino pointed out that he did exactly what I had previously informed him to do "request reinstatement of the previous Appeal Brief" There is no recollection of that. However, Mr. Tummino pointed out that there was a supplemental response at the end of the old brief addressing the new rejection. Explained that someone would have to be consulted about the format because it is not in the new Appeal Brief format and that possibly a non-compliant letter would have to be mailed.
